Subject: Notice of Trespass, Harassment, and Prohibition from Bricks & Minifigs Locations

Mr. Schneider,

This letter serves as **formal written notice** that you are **not authorized to enter, remain upon, or return to any Bricks & Minifigs retail location, office, or affiliated property** operated by BAM Franchising, Inc. or any of its franchise owners.

Over the past several weeks, BAM and multiple independently owned Bricks & Minifigs franchise locations have received reports that you have appeared at store locations and engaged in conduct including, but not limited to:

- Entering stores while filming or attempting to film without permission
- Approaching employees and franchise owners regarding matters related or unrelated to store operations
- Recording inside and remaining in stores despite being asked not to do so
- Confronting, stalking, harassing, manipulating or questioning staff members in a manner that disrupts normal business operations
- Attempting to gather video or audio recordings for purposes unrelated to any legitimate business of the store
- Creating a public nuisance

These activities have caused disruption to store operations, interfered with operations, created a public nuisance, intimidated employees and have created legitimate concerns for the safety and wellbeing of store employees and customers. We understand you (and/or your associates or

affiliates) have been arrested in connection with your stalking and other misconduct and that criminal charges have been or are being filed against you. Civil claims also exist and may hereafter be asserted as well.

Bricks & Minifigs retail locations are **privately owned businesses operating on private property**. Store owners and operators retain the legal right to control access to their premises and to enforce reasonable rules governing conduct while on those premises. This includes the right to prohibit unauthorized filming, disruptive conduct, harassment or intimidation of employees or customers, or any activity that interferes with normal business operations.

Based on the repeated conduct reported to us, and in order to protect the safety and operations of our franchise locations, **you are hereby formally directed to cease and desist from entering or remaining on the premises of any Bricks & Minifigs location for any purpose whatsoever**. This prohibition applies to **all Bricks & Minifigs stores and facilities**, including both corporate-owned and independently owned franchise locations.

Without limitation, you are specifically prohibited from:

- Trespassing by entering or otherwise accessing any Bricks & Minifigs retail store or business premises, including walkways, set backs, parking areas, driveways, etc. for any purpose
- Filming, recording, livestreaming, or otherwise capturing video or audio inside or outside of any store location
- Attempting to question, interview, stalk, harass, or confront store employees, franchise owners, customers, or vendors
- Gathering video, audio, or other materials inside or outside of store premises
- Attempting to access store locations indirectly through associates, collaborators, or third parties acting on your behalf
- Creating or causing a public nuisance, disrupting the peace, and/or interfering with Bricks & Minifigs economic relations, including its relationships with employees, customers, or vendors

Any appearance by you at a Bricks & Minifigs location after receipt of this notice will be treated as **unauthorized entry onto and trespass respecting private property**. Store owners and employees have been instructed that if you enter or remain on their premises after this notice, **local law enforcement will be contacted immediately and the matter will be handled accordingly under applicable trespass, harassment, or other applicable criminal or civil laws**.

Subject: Missing legos

Message Body:

Hello, the bricks and minifigs in Keizer has about \$10,000 of my legos in their store, and has been telling me every day for the last month that they're going to give me back the legos tomorrow, but they can't give it back to me because cooperate is taking a long time making a contract? I'm confused why I need a contact from cooperate to receive my own legos that I own? If you could email me back, that would be awesome! And let me know if you would like to get on a

phone call.
